PARTNER WITH US TO BUILD STRONG FAMILIES

We believe faith-filled homes enable children to thrive and our neighborhoods to flourish. Visionary Family Ministries is a local non-profit organization that supports families through marriage and parenting seminars, our “Family Vision” podcast, coaching, and events for all generations.

As a business that shares our heart for families, we invite you to partner with us to support a unique, family-enriching event coming to the Chicago area November 10, 2024 – the **Visionary Family Thanksgiving Ball**. This memorable evening, hosted at the Abbington in Glen Ellyn, brings families together for a special dinner, engaging activities, music, dancing and inspiring teaching on the power of gratitude. To express our thanks for your support we’ll be honored to highlight your business!

“The VFM Ball was a fantastic evening, encouraging and fun for our whole family!”
